

Spanish Cross Case LDO Green Case

Description

The Spanish crosses were awarded during the ceremonies of Hamburg and Döberitz respectively on May 31st, June 3rd and 4th 1939. The recipients received the cross in case of issue. Later, it was possible to purchase privately other crosses or better quality ones. The green case is for the bronze cross, but certainly other classes were also sold in such green cases. The current case is post 1941 LDO institution. The inside bottom lid is of red velvet, the top one is of red paper.
