

1939 Iron Cross First Class "L58" Rudolf Souval, Wien

Description

The Iron Cross 1st Class was instituted on September 1st, 1939. It was worn on the left breast of the uniform.

Prepared by Darrell Simpson - September 2005

Details

Height 44.5 mm **Weight** 19.3 gr
Width 44.5 mm

Remarks

This screwback EK1 is one of the very few that have the maker mark on the screw plate itself. Also of note is that no "/" is present between the "L" and "58".
